PERSONAL GROWTH NEEDS:

Current Strengths:

- Works well with children
- Adaptive
- Very patient

Area of Growth:

- Procrastinator

Objective:

- By the end of the 2001-2002 school year I will have improved my procrastination problem

Strategies to Achieve the Objective:

- Have someone on top of my assignments to make sure I do them shortly after they are assigned
- Keep a daily planner
- Take away my extra curricular activities until the assignments are complete

Assessment Procedures to Measure if Objectives are Achieved:

- Ask the person if I am doing a proficient job
- Go through the daily planner
- See if my grades improve
