Professional Growth Plan:

1. **Personal growth needs:**

   After reviewing the Kentucky New Teacher Standard: IX.
   - Organizing and working through procedures that involve technology
   - Communicating to others how to work through technological procedures

3. **Personal growth objectives:**

   - Creating multimedia presentations
   - Applying researched-based instructional practices that use computers and other technology

3. **Specific strategies to achieve the objectives:**

   - I will read books that deal with this subject
   - I will seek out advice from practicing teachers
   - I will search for resources on the Internet that deal with this topic.
   - I will ask for comments from students about this topic

5. **Assessment procedures to measure if objectives are achieved:**

   - I will create a presentation using multimedia to demonstrate my skills
   - I will get feedback from teachers
   - I will get feedback from students

**CONTINUING YOUR GROWTH:**

After you have reached your objective, you should continue to establish new objectives, strategies, and assessment procedures:

- At least once each semester, use the data and information you have collected from your assessment to determine what changes you should make in your Professional Development Plan for the future.
- Your professional growth plan should be revised before each interview.
