Plan For Professional Growth

**Strengths:**

- I have exceptional organizational skills.
- I use my organizational skills to run different school activities such as sports day, and tournaments that are hosted by the school.
- I create an environment where students are keen to learn skills and not afraid to take risks. An environment that allows everyone to feel successful, to be an important member of a team.
- I am able to give clear instructions and demonstrations for each activity so that each student understands.

**Areas For Professional growth:**

- To gain knowledge of different strategies for assessing student learning and progress.
- To gain knowledge of learning styles of individual students and accommodates within the lessons.

**Areas of Growth:** Assessment strategies/ learning styles.

**Objectives:**

- I want to improve my knowledge of assessment strategies for students, and learn about different students’ learning styles.

**Strategies:**

To accomplish my objectives I will:

- Create an assessment scale for student’s learning and progress, and discuss it with them.
- Read books and articles about different learning styles.
- Cooperate with teachers to discuss different students’ learning styles.
- Apply the learned methods in my practical teaching.

**Assessment:**

- Write comments on a consistent base of the applied methods, which will help make the decision of the best ones.
- Keep records of the positive ideas and successful strategies.
