Professional Development Plan
John Gifford

Personal Growth Needs
- Interaction with students (lack of experience)
- Leadership
- Instruction

Current Strengths
- Good cooperation with others
- Knowledge of subject area to be taught
- Respect for others

Area of Growth
- Leadership
- Instruction

Objective
- To be able to successfully conduct a classroom by myself, and to present subject matter to students in a positive manner that promotes learning.

Strategies to Achieve the Objective
- Develop good leadership, discipline, and teaching techniques
- Learn from field experience

Assessment Procedures to Measure if Objectives are Achieved
- Best measured by student success
- Also measured by student satisfaction, and order of classroom
