Professional Growth Plan

Name: Kristen Koontz

Date: February 15, 2002

My Strengths:

*New Teacher Standards II*

- I can motivate and encourage students in a supportive environment.
- I can communicate effectively with students.
- I can promote student willingness and desire to receive and accept positive and negative feedback.

My Areas for Professional Growth:

*New Teacher Standards VIII*

- To communicate the skills and core concepts related to the health education field.
- To utilize technology related to the health education field.
- To connect knowledge of the health education field to real life situations.
## Plan For Professional Growth

**Area for Growth: Knowledge of Content**

**Standard #VIII**

**Date:** 2/15/02

### Actions - What I will do and the assistance I will need:

**Objective:**
- I want to extend my knowledge in the health education field, use technology related to health education, and connect health education knowledge to real life situations.

**Strategies:**
- I plan to take more health education and computer classes.
- I plan to read health related articles and books.
- I plan to investigate real life situations related to health and students academics.

**Assessment:**
- I am going to enroll in health education and computer classes.
- I am going to purchase health related books and read articles off the Internet.
- I am going to read studies on how health effects students’ ability to learn.
