Professional Growth Plan

Name: Margaret E. Salyers

Date: February 18, 2002

My Strengths:

New Teacher Standards I and III

- I believe I possess strong organizational skills.
- I believe I have strong, effective leadership skills.

New Teacher Standard IX

- I am very computer efficient, and I am familiar with many current technology programs and applications.

My Areas for Professional Growth:

New Teacher Standards VI

- I struggle with working on a team. I prefer to work independently, so I need to learn to be an effective collaborator.
- To become involved in more extracurricular activities outside the classroom.
Plan For Professional Growth

Area for Growth: Collaboration
Standard # VI
Date: February 18, 2002

Objectives:

- I need to become a more effective team player by contributing my skills, knowledge and experience to others and asking for assistance and advice from others.

Strategies:

- I will participate in a team-oriented or committee oriented project.
- I will read books, publications, and other materials about “becoming an effective team player”.
- I will ask for help when I would otherwise try to solve or accomplish something myself.

Assessment:

- I will seek the advice, opinions, and instructions of those I work with.
- I will ask a respected educator to evaluate my growth in this area.
- I will evaluate my progress toward becoming an effective team player.
