Professional Growth Plan

Tiffany M. Stevens

Determining Professional Growth Needs

Strengths:

1. Communicating with small children
2. Computer knowledge
3. Managing money

Areas of growth:

1. Public speaking
2. Math
3. Being on time

Writing Professional Growth Objectives

- By the end of the semester I will increase my ability to speak in public

Developing Strategies to Achieve My Objective

1. I will spend time taking part in group discussions
2. I will become a Sunday School teacher assistant and help teach
3. I will join a public speaking group

Developing Assessment Procedures to Determine If Objectives Are Achieved

I will look at my grade in class and my class participation
I will also ask to teach by myself and get other Sunday School teachers to give me their opinions

Using Data and Information to Establish New Objectives, Strategies, And Assessment Procedures

If I am not reaching my goals this way, I will try new approaches
