Professional Development Plan

Name: Tonya Gambrel  Major: Middle Grade Education  Date: 10/06/01
English and Communication/Science

Ky Teacher Standard to be addressed: IX

1. Personal growth need:
   My Strength:
   • I have experience using the Internet.
   • I have experience with application programs.

   My Areas for Professional Growth:
   • I would like to be able to create my own web page.
   • I want to learn how to design newsletters using PageMaker.
   • I want to become more familiar with an overhead projector.

2. My objectives:
   By the end of the semester, I will be able to:
   • create my own web page on the Internet
   • design a newsletter that I could use as a teacher
   • know how to make overhead sheets and use a projector in front of an audience

3. Strategies (Actions) needed:
   (What will I do and the assistance I will need)
   • I will seek help from professional with creating web pages.
   • I will complete my class about PageMaker and ask necessary questions on creating a newsletter.
   • I will ask an instructor how to create overhead sheets.
   • I will practice using the overhead in front of an audience.

4. Strategies for assessing progress (impact):
   • My web page will be created and accessible from any computer.
   • My newsletter will be graded in class and I will be giving feedback on any areas for improvement.
   • I will be critiqued and receive feedback from my audience about my ability to give instruction using an overhead projector.

5. My new area for professional development:
   • I will develop a typed list of useful websites for educators in Excel.
