To teach, to learn, to help others teach and learn.

Since its founding in 1906, Eastern Kentucky University has maintained a strong interest in and commitment to the preparation of teachers.

The Professional Education Programs at EKU are dedicated to preparing the highest quality educators and related professionals for Kentucky and beyond. Our graduates integrate content, effective pedagogical skills, and dispositions that foster life-long growth and learning. Being true to our heritage as a school of opportunity, EKU provides a climate that supports, challenges, and enriches students aspiring to careers in a diverse society.

Professional Education at Eastern is a university-wide function, the programs of elementary education (P-5), middle grade education (5-9), special education, interpreter training, deaf and hard of hearing, interdisciplinary early childhood education and communication disorders are located in the College of Education. Students in these programs are advised in the College of Education. Secondary teaching programs are located in their respective colleges with students receiving academic advisement from the college of their major and educational counseling in the College of Education.

Model Laboratory School is operated as a department in the College of Education to: (1) provide quality and innovative education for its students, N-12; (2) provide pre-service education for prospective teachers in the College; (3) serve as an experimental testing ground for curriculum development and dissemination; (4) provide a setting for research; and (5) provide in-service education for area school systems.

POLICIES AND PROCEDURES

Professional Education Majors

To be recommended for certification, all students must meet the requirements for admission to professional education, complete a College of Education approved teaching curriculum, and pass the required PRAXIS tests as determined by the major/minor.

General Studies for Initial Teacher Preparation. The general studies will incorporate multicultural and global perspectives. All candidates will complete general studies courses and experiences in the liberal arts and sciences that lead to the development of theoretical and practical knowledge. The general studies will include course work from arts, communications, history, literature, mathematics,

philosophy, sciences, and the social sciences. **CONSULT ADVISOR EARLY IN YOUR PROGRAM FOR PROPER COURSE SELECTION.**

Credits

To be applied to degree programs, credits more than eight years old must be validated by the dean.

Credit for Transfer Work

Allowance of transfer credit by the University Office of Admissions and/or the Office of Undergraduate Studies does not necessarily mean that all such credit will be applied toward admission to professional education or a degree from the College of Education. Therefore, students should read and follow closely the transfer credits/courses section in Part Three of the *Catalog*.

Credit for Transient Work

Undergraduate students or students pursuing initial certification in programs housed in the College of Education who wish to take course work at another higher education institution must have prior written approval from their advisor, their department chair, and the Dean of the College if they wish to apply that credit to their degree program. Students must be in good academic standing at Eastern Kentucky University with an overall GPA of 2.5 or higher to be considered for approval to take a course at another institution. Transient forms are initiated with the administrative assistant, Office of the Dean, College of Education.

Overload

In the College of Education, overloads are discouraged and must be approved by the dean. Requests for overloads must contain the student's overall GPA and the number of hours being attempted, including those to be taken at other higher education institutions or through correspondence. A student must have an overall GPA of 3.0 or higher to be considered for approval to take an overload.

Correspondence Course

Students majoring in the College of Education are discouraged from over-loading their schedules by taking correspondence courses. To be accepted into their programs, such courses must have the dean's approval before they are taken. A student must have an overall GPA of 3.0 or higher to be considered for approval to take a correspondence course.

Planned Curriculum

Planned curricula in the College of Education are prepared by the Administrative Assistant, Office of Student Services (Bert Combs 423). Students in teaching programs

must make application for a planned curriculum upon notification of admission to the Professional Education program. Students in non-teaching programs (special education and communication disorders) must apply for a planned curriculum upon completion of the 60th hour for B.S. degrees and 15th hour for A.A. degrees. Changes in the planned curriculum, initiated on the "Planned Curriculum Exception" form, must include a recommendation for change by the advisor, and be approved by the department chair and the Dean of the College. Changes approved verbally by phone or otherwise will not be honored unless the planned curriculum is officially altered to reflect such approval. It is the student's responsibility to register for the proper courses so that all requirements are satisfied at the time of expected graduation. Completion of all course work on the student's planned curriculum is required for graduation.

Residency

A candidate for a degree must have been in residence a minimum of 36 weeks and must have earned a minimum of 32 hours while in residence. Students who are completing baccalaureate degree programs which include teacher certification, and students readmitted after a one year absence from the University must have 30 of the last 36 hours in the program, exclusive of student teaching (ELE 499, EMG 499, EMS 499, ESE 499, SED 499), awarded by Eastern Kentucky University.

Application for Graduation

Students must file an application for graduation in the Office of Student Services (Bert Combs 423). May and August graduates must file an application during the preceding October; December graduates must file an application during the preceding April.

Student Teaching

Since student teaching is especially demanding, students are not allowed to take any other courses (including correspondence and transient courses) while student teaching. Credit for unfinished correspondence course(s) will not be allowed during the student teaching semester.

Retroactive Permission

Students should not ask for retroactive permission.

Students are advised to enroll in EDF 103, Introduction to Education, during their freshman year and in EDF 203, Schooling and Society, during their sophomore year. - Secondary education majors will follow the prescribed curriculum and requirements of another academic college and the policies for professional education stated elsewhere in is *Catalog*. The College of Education cooperates closely with the other colleges in matters pertaining to admission to professional education and student teaching.

ADMISSION TO COMMUNICATION DISORDERS PROGRAM

Any student who is accepted by Eastern Kentucky University's Admissions Office may declare their major as communication disorders (CD). The student will be assigned to a program advisor and will be classified as a "Pre-CD" major. However, a Pre-CD status does not guarantee admission into the CD undergraduate program. Pre-CD majors will be restricted to enrollment in the following major courses: SED 104, 275, 360, and SED 240 or ASL 101. To be admitted into the CD undergraduate program, students must meet the following minimum criteria: (1) at least 27 credit hours earned on 100-level courses or higher, (2) at least a 2.75 GPA on a 4.0 scale, (3) have taken the ACT, and (4) earned a grade of "C" or higher in SED 275 "Communication Disorders: A Survey" or equivalent transferred course. Transfer students do not have to be enrolled in university courses at the time of submitting an application for admission. The CD program admits 30 new undergraduate students each year. Applicants are ranked by the GPA x ACT composite score. The most qualified applicants are admitted. Application forms are available from Wallace 245; telephone (606) 622-4442. Completed applications and all required documentation as specified on the application form must be submitted by February 14 to the CD Program Coordinator.

It should be noted that enrollment in the graduate program in Communication Disorders is also limited. Admission into the undergraduate program does not guarantee admission into the graduate program. Refer to the Graduate Catalog for Admission Requirements and Procedures regarding application to the master's degree program of study in Communication Disorders.

Students must purchase the college student professional liability insurance prior to enrollment in SED 374, 474, and 488. Further, that insurance coverage must be maintained throughout enrollment in these courses.
