COE P/T Mentoring Program: Service Q&A

1. Can you get paid for something and still have it considered to fall in the Service category?

2. Does KTIP/KPIP count as Service?

3. Does being a Professional Education Fellow count as Service?

4. What kind of Service is available in a professional association?

5. How is Service considered relative to Teaching and Scholarship?

6. What kinds of projects with the community are considered Service?

7. How would the value of Service be ranked in terms of the University, Professional Association, and Community?

8. Should letters of reference be solicited for the P/T portfolio?

9. Does quantity play any part separate from quality regarding the amount of P/T documentation submitted?

10. Serving on a department, college, or university P/T committee was considered a vote of confidence by your colleagues and faculty needed to be elected to these positions, not merely serve because they were tenured or had been promoted.
